ABOUT THE DEVELOPER

Beit Al Bahr is the result of a collaboration between leading entities in the Egyptian market, collectively forming BAM, a joint venture consisting of:

EL ABD

The visionary behind identifying Sidi Heneish Bay as one of the North Coast's most distinctive destinations over 30 years ago.

GUIRA

A master contractor and home developer founded by the Badawy family, known for their strong expertise in engineering and construction across Alexandria and the North Coast.

J PROPERTIES

A forward-thinking real estate partner and the driving force behind shaping projects from concept to market. Backed by over 20 years of combined expertise across multiple sectors, J Properties defines how destinations are envisioned, positioned, and brought to life.

Reminiscent of good old summer days, Beit Al Bahr is a refined beachfront escape spread over 450 acres. Surrounded by turquoise waters and golden sands,

BE here be YOU

this tranquil haven is located in El Abd Resort, Sidi Heneish, with a 3.5 km beachfront offering stunning views.

YESTERDAY'S SUMMER

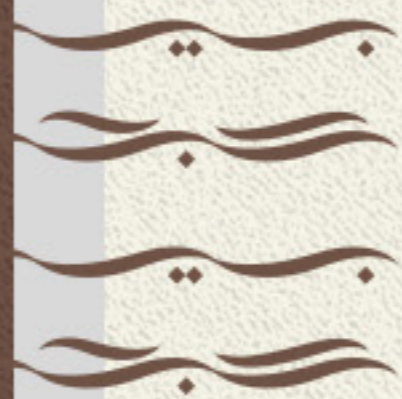

Back in the days, a perfect summer day was as simple as waking up with sand in your toes. Beit Al Bahr brings back summer as it once was and as it always should be.

Everything around you calls for a truly authentic summer experience, where homes are filled with daylight and waves catch up to the shore.

NATURE MANIFESTED

In the symphony of life, the elements earth, water, air, and fire play a significant role in shaping our reality. Nature influences our homes, while water's movements impact cultures and civilizations. Human creation, especially in architecture, becomes a canvas where elemental forces convey meaning beyond simple functionality. The elements symbolize aspects of life in culture and art.

In architecture, this translates into environments that feel effortless, where movement, light, and space come together naturally.
